

PURPOSE BUILT

Engineered for enhanced performance and maneuverability while tracking game in hot or humid climates, the 5.11 Tactical Taclite Pro Pant in REALTREE X-TRA® is crafted from our ultra-lightweight poly/cotton ripstop fabric for maximum agility, breathability, and resilience. Featuring a new camouflage pattern, our REALTREE® camo pants minimize your visibility profile while helping to keep you comfortable and alert for the duration of your trip.

FEATURES

- Action waist and gusseted crotch for full freedom of movement
- Seven pocket configuration and double-deep front pockets for extended storage
- Integrated D ring keeps your keys within easy reach
- Teflon® treatment provides superior stain, moisture, and soil resistance
- Fade and wrinkle resistant fabrication for a crisp, neat appearance at all times
- All REALTREE® pants feature a traditional rear strap and slash pocket

SPECIFICATIONS

- 65%/35% 6.14 oz. polyester/cotton blend
- Quick access multipurpose pocket
- Double reinforced seat and knees
- Enhanced reinforcement at the knife clipping area
- Draw cord openings at each bottom hem
- Genuine YKK® zipper and Prym® snap hardware
