

OVERVIEW:

The Remington Model 700,™ a rifle with no equal, and a superior performer in every way. Its accuracy and dependability have become the standard by which all other centerfire rifles are measured and continually fall short. Still the most accurate out-of-the-box rifle made, the Model 700 brings its famous action and renowned consistency to this diverse family of guns. All are newly equipped with our externally adjustable **X-Mark Pro** trigger system.

The Model 700 BDL has been the hunter's favorite for 40 years because its strong, smooth action, consistent accuracy, and classic beauty make it an unequaled value. Its high-gloss American walnut stock is enhanced by a distinctive black fore-end cap, Monte Carlo comb with raised cheekpiece, and generous skipline cut checkering. Metalwork has our rich, deep bluing for beauty and protection. The Model 700 BDL features a hinged magazine floorplate, sling swivel studs, hooded ramp front sight, and adjustable rear sight.

KEY FEATURES:

- Receiver machined from solid-steel bar stock resulting in uniformity and strength

- Cylindrical receiver design provides a solid bedding area in the stock for consistent shot placement

- Recessed bolt face locks up inside the counter-bored breech of the barrel which is surrounded by the receiver, forming “threerings-of-steel” enclosing the cartridge case head for unparalleled strength

- Integral extractor is set in a groove inside the rim of the bolt face, uniformly supporting the cartridge head

- X-Mark Pro™ Trigger** – featuring super-tight tolerances and mirror-like surface finishes, it breaks like glass and is adjustable for trigger pull weight
