

Remington 770 Sportsman Rifle

OVERVIEW:

It's the latest, greatest edition of out-of-the-box accuracy and hunting performance from Remington – now in stainless steel with a rugged Realtree® AP™ HD™ camo stock. An upgrade of our famous Model 710,™ the new Model 770™ is the perfect choice for any hunter looking to fast-forward through the process of selecting a scope and components. It comes with a pre-mounted and boresighted 3-9x40mm riflescope. But most importantly, it's built to our rigorous standards for accuracy and reliability. Simply choose your ammo and you're ready to shoot.

It features the same great action and barrel as our Model 710 (based on the Model 700™) with super-accurate button rifling, and a more durable magazine latch. Other advancements include a new, ergonomically contoured stock with a raised cheekpiece for rapid scope-to-eye alignment, and grips are textured in all the right places for superior shot control. Offered in a selection of long- and short-action calibers, the Model 770 is the quickest route to legendary status, and a full freezer.

We're excited to offer the Model 770™ Compact. The next generation of the Model 710, the Model 770 exemplifies quality, reliability and convenience. It's chambered for the mild recoiling 243 Win. and comes out of the box with a pre-mounted, bore sighted 3-9x40mm scope. Range- and woods-ready, the new Model 770 Compact is truly the ideal starter rifle.
